**BOBBY**

# WILSON

## THE NAME BOBBY WILSON IS SYNONYMOUS WITH THE SPORT OF LONG DRIVE...

As a top ranked long driver for a quarter century and a member of the Long Drivers of America Hall of Fame, Bobby is someone that all competitors consider a threat. He's a true athlete. He's always a contender.

Bobby Wilson, 4X World Long Drive Champion, LDA Hall of Fame member, the winningest player on the LDA tour, and considered one of the most decorated long drivers in the game.

At the ripe young age of 68, Wilson is the oldest competitor to ever qualify in the Open Division, and also will compete in the Senior, Super Senior, and Grand Champion divisions, all held in Mesquite, NV during the weeks of September 17th-27th.

In 2009, the Loudmouth pants wearing crowd favorite won two world titles in the same night, winning the coveted Super Senior title and in less than 30 minutes won his second Senior title, a feat never before accomplished. Ask Wilson if he thinks that

he can catch lightning in a bottle again, "I know that my faith in the Lord is what carried me through before, and that will never change. I am a believer! So, to that question, my answer is yes."

Wilson is the founder and creator of the Power Golf Institute, an online teaching site that caters to the young and old, helping golfers hit the ball farther, straighter and more consistent. Bobby says "I truly believe that I can help you drive the ball better and make the game enjoyable again"

His tag line is this: "Golf's a lot more fun when your out driving your buddies!" Let's see how many of those buddies Wilson out drives this year at the world championships.

### KINGS OF DISTANCE

Bobby is an ambassador for Callaway Golf and a member of the Kings of Distance Long Drive Team
